Cleaning and Maintenance

Care and maintenance of your Sentrel surround is easy using common household cleaners. Clean with a soft sponge or cloth, and mild non-abrasive cleaners. Often, warm soapy water and a sponge will be adequate for regular maintenance. Sentrel has no grout lines to clean, and is non-porous, so sealing is never required.

**Recommended Cleaners**

- Fantastik
- Windex
- Tilex spray
- 409 spray
- Lime-A-Way spray
- Fabuloso
- Green Works
- Spic and Span spray
- Pine-Sol
- Simple Green

**DO NOT Use**

- Abrasive or gritty cleaners
- Scotch-Brite pads
- Magic Eraser
- Comet Powder or Soft Cleanser
- Strong solvents (thinner, acetone, MEK)

Avoid these cleaners, which may damage or dull the glossy surface of Sentrel. Use of these agents will also void the Sentrel warranty.
